

“Glamour Shots” Portraits

1. **Decide** what you want. **NEW** for 2010 is a better way to preview your student’s portrait. Go to Dave Brendle Photography at www.dbrendle.smugmug.com In the Featured Galleries at the top, there are 4 galleries. Seniors, Juniors, Sophomores and Freshmen. Click on the appropriate gallery. These galleries are password protected. The password is glamour in all lower case. These galleries are for viewing only and are not to be downloaded or printed. Note: if you don’t see your student in the gallery, contact Dave Brendle at photo@seminolehsband.org email.

2. **Select** the quantity, size and finish that you want of each selection. We are using a professional printing service this year, so the consistency and quality is much improved from last year. Four finish options including two, Lustre and Metallic that use Kodak Eudura professional papers which have a typical home display longevity of 100 years.

Matte: Matte is a more muted finish. Darker than Lustre. Printed on Kodak edge paper.

Glossy: Glossy is a shiny finish and appears brighter than Matte. Printed on Kodak paper.

Lustre: Lustre is a premium finish on heavier paper. It offers the vibrant colors of glossy with the fingerprint resistance of matte. Printed on Kodak Supra Endura paper.

Metallic: Rich, distinctive metallic look with a huge WOW! factor. Printed on Kodak Eudura Professional Metallic paper.
