

How to Sign-up for a SHS Band QUARTER DAY

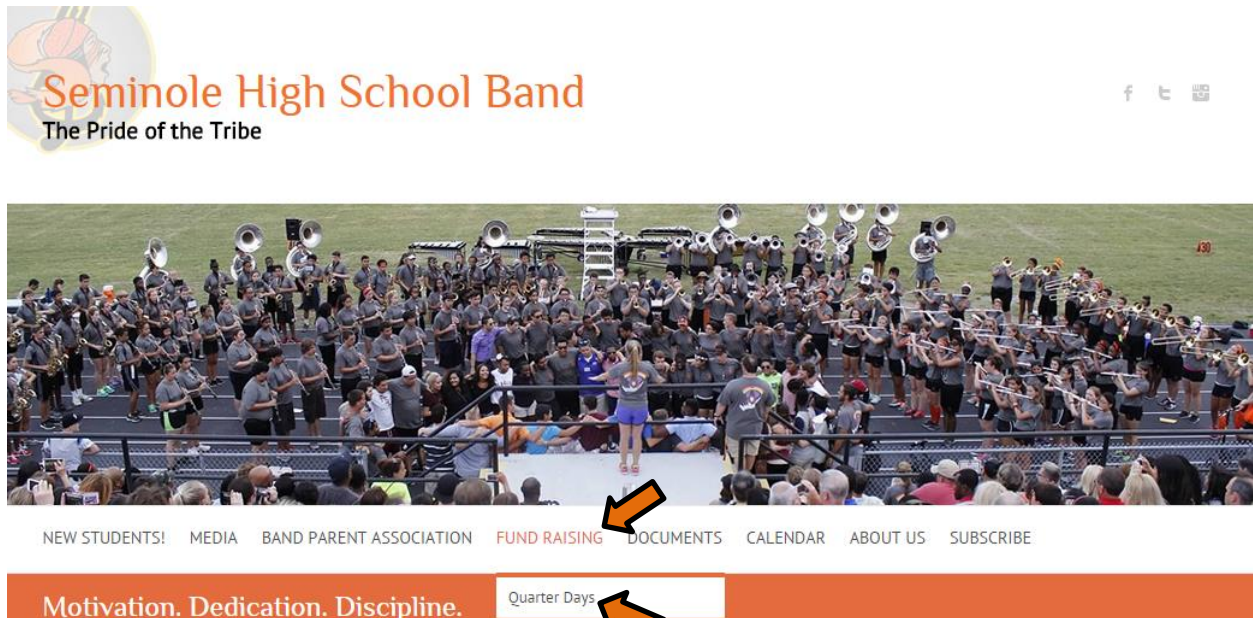

“Quarter Days” are a great way for students to earn money for their individual student accounts (for band fees and trips)!

With SHS Band Quarter Days, students have the opportunity to sign-up for shifts (typically 4 hours) to represent the Seminole High School Band by playing their instrument, talking with the public and accepting public donations in support of the band. We schedule “Quarter Days” on weekends, all around town, typically at local grocery stores and retailers, throughout the year.

Students (and parent chaperones) can sign-up for Quarter Days by viewing the Quarter Days schedule (on the SHS Band website) and then by emailing the Quarter Day Coordinator to request a Quarter Day shift.

To View the Current Quarter Day Schedule:

1. First, Go to the SHS Band website at: seminolehsband.org
2. Then click on Fund Raising and then on Quarter Days

- The Quarter Day schedule is then viewable by clicking the on the orange “here”.

Quarter Days

Quarter Days are ongoing scheduled sessions where band members (with their instruments) and chaperones go out to play and raise funds at various local community locations. This is a great way to get the word out about our great students and band program, and helps put money in student band accounts.

Quarter Days are scheduled regularly throughout the year, and a schedule is maintained and viewable [here](#) 

If you would like to volunteer, please contact quarterdays@seminolehsband.org
