1. Listening Assignment: Alumni Week

I have had the awesome privilege of teaching some amazing students over the years here's a sample of what some are doing now.

YouTube Videos - Please click on the hyperlink - **Please give comments back. I will share the comments with them.**

1. **Alana Guarino and her Band in New Orleans,**

A real highlight of our trip to NOLA this year was some of the Seminole students playing with Alana's group on the corner of Toulouse and Royal street in the French Quarter. Many of her band mates gave up their instruments to let students play on them. Alana has been playing in New Orleans for two years and she is playing flute next Jahari in the video.

2. **Zealot** - now that Jahari is an Alumnus

Many of you know that Jahari Medina has been working on this project since the fall. Here is the final product that he and Aleksander Vinder put together. Yes, Jahari will receive royalties for this so listen to it a million times.

3. **God Rest Ye Merry Gentlemen // Joy To The World**

This is the Higgins family. All four boys were in the band and Mr. Higgins used to do our announcements for halftime. This piece is arranged by either Donovan (Tpt) or Spencer (drums +). Hunter just graduated college this past weekend. Riley graduated high school two years ago.

4. **Santanio Jackson - Beatrice (Sam Rivers)**

This is Santanio at his Senior recital when he was at Berklee College of Music. Santanio is on set looking sweet in his suit. He said, He would like to hear your feedback. He hopes to start teaching in fall. He wants to stay in Boston.

5. **Right One Wrong Time - Paul Woida**

Paul was in my band in the 90's. He played tenors in marching and set in Jazz Chiefs. He was an extremely humble person and still is today. I think we would all agree he is extremely talented. He has a lot of videos, check him out.

Add-on 6. **Tribute to Motown - Larry Watson**

The drummer in this all-star band is Victor Hernandez. They were doing a tribute for Berry Gordy (the founder of Motown). You can see his chops about timestamp 3:30 for a short solo. Victor is also in Boston playing each week with a couple of bands. He sometimes helps Santanio with some gigs.
