TENTATIVE VISIT SCHEDULE

Saturday, March 24

Students arrive on the afternoon of Saturday March 24, 2018.

Inagakuen High School Band will rehearse in the KWC Auditorium.

Potluck dinner in the SHS Cafeteria with Inagakuen students and the Host families

Inagakuen Band will perform a private concert in the KWC Auditorium immediately following dinner.

The Japanese students will then go home with their SHS Home Stay families.

You are welcome to take your home stay students out for dessert after the concert (i.e. Menchies, Jeremiah's, Steak & Shake, Dairy Queen, etc.)

Sunday, March 25

Sunday will be a day for the Host Family to spend with their Japanese student guests.

Take them around and show them all the amazing things that make America – and Central Florida so amazing. The students will love doing “American” things.....bowling, movies, shopping, Blue Springs, airboat rides, fishing, boating, local restaurants, The Orlando Eye, etc.

You get the idea – let them experience the fun and interesting things to do around our area and they will truly appreciate the opportunity to experience our local culture.

Monday, March 26

On Monday March 26th you will return the Inagakuen students to SHS by 7 am, and you will have a chance to say goodbye before they continue on with their trip to Disney, where they will be performing before heading back to Japan.
